CHECKLIST

Christening Flower Checklist

- [ ] Measure the space where arrangements will sit and note any height or width limits
- [ ] Select flowers with sturdy stems that hold up without frequent water changes
- [ ] Remove lily anthers to prevent pollen stains if using scented blooms
- [ ] Confirm delivery time and location with your florist well in advance
- [ ] Store completed arrangements in a cool room overnight before the ceremony
- [ ] Transport flowers in a stable container with a little water to prevent wilting
- [ ] Check that no toxic or irritant plants are within reach of children
