Questions to Ask a Florist About Event Capacity

- [ ] Ask to see images of three past events that match your guest count and venue
- [ ] Request the names and roles of everyone who will work on your event
- [ ] Confirm the florist has an established supplier relationship for high-volume orders
- [ ] Check what vehicle and cold storage the florist has available
- [ ] Request proof of public liability insurance and a written contract
- [ ] Discuss backup plans if a team member falls ill or a supplier lets them down
- [ ] Look for portfolio evidence of installations with similar complexity to yours
